

CDM Regulations 2015

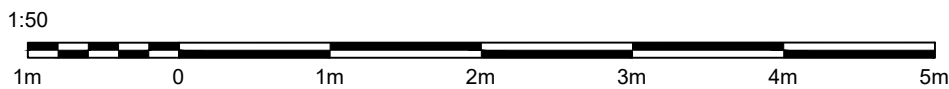

Principal contractor to plan for mitigation measures in response to hazards. CDM Regulations require that **all** projects are to:

- **Have workers to be competent and are suitably skilled for the work they carry out;**
- **Contractors to provide appropriate supervision, instruction and information to all on site workers to provide a safe working environment;**
- **Have a written construction phase plan.**

Worcester Lloyd are appointed as 'Designer' only, unless a written appointment has been completed for the formal appointment as 'Principal Designer'. If Worcester Lloyd has been appointed as '**Principal Designer**', then refer to 'Pre-construction information pack' for design health and safety information for this project.
