NORTH HERTFORDSHIRE DISTRICT COUNCIL

Town and Country Planning Act 1990

DECISION NOTICE

Correspondence Address:

Ranjeet Shahi
Suite 2, Fairways House
Mount Pleasant Road
Southampton
SO14 0QB

Applicant:

Mr & Mrs Hendricks

PARTICULARS OF DEVELOPMENT

Application: 25/03157/FPH

Proposal: Installation of 2 motorised entry and exit timber gates.

Location: 15 Deards End Lane, Knebworth, Hertfordshire, SG3 6NL

Refused Plan Nos: 1872-P-01, 1872-P-02

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **REFUSE** the development proposed by you in your application received with sufficient particulars on 15 December 2025.

1. No.15 Deards End Lane is a Neo-Georgian style Lutyens designed grade II listed building which is located within the Deards End Lane Conservation Area, the prevalent character of which is that of a 'garden village'. Whilst the proposed pair of timber gates would not necessarily be incongruous in the context of the style of the host building and their materiality and height is an improvement when

compared with the previously refused metal gates, they would nevertheless enclose the property, be prominent within the setting of the lane, and would be at

odds with the prevailing character of the Deards End Lane Conservation Area where non-gated frontages prevail. The private garden area is screened by buildings and hedges and although the Heritage Impact Assessment says that the gate installation "will create an enhancement to the site by securely protecting the historic building" this is not considered to be a convincing justification. The proposal would be contrary to the character and appearance of the area occasioning harm thereto and would fail to satisfy the provisions of Sections 66(1) and 72(1) of the Planning (Listed Buildings and Conservation Areas) Act 1990 and the aims of Section 16 of the NPPF and Policies SP9, SP13, D1 and HE1 of the North Hertfordshire Local Plan 2011 - 2031. The proposal will occasion less than substantial harm towards the lower end of the less than substantial harm continuum and no public benefit has been identified.

Proactive Statement:

Planning permission has been refused for this proposal for the clear reasons set out in this decision notice. The Council has not acted proactively through positive engagement with the applicant as in the Council's view the proposal is unacceptable in principle and the fundamental objections cannot be overcome through dialogue. Since no solutions can be found the Council has complied with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Signed:

Shaun Greaves

NOTES

- 1 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals must be made using a form which you can get from the Planning Inspectorate at Suite C, 4th Floor, Spectrum Building, Bond Street, Bristol, BS1 3LG or online at <https://www.gov.uk/appeal-householder-planning-decision>

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Cadent Gas Informative:

Cadent Gas own and operate the gas infrastructure within the area of your development. Contact our Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com.
