Subject: Land between Hampshire Road and Baldock Road, Royston.

Good afternoon Vicki

I hope that you are well.

As per the agreement regarding application reference 24/02836/TPO we propose to replant 2 x acer campestre and 1 x alnus glutinosa heavy standards with girth size of 8-10cm. I have attached a plan and picture of where we propose to plant the trees, please advise if this would be acceptable and we shall proceed to get the trees planted.

Many thanks

Vinny
