Subject: Windows Jackmans Place

Dear Melissa,

We received an application for these. We are not the decision makes for this property due to the lease details, however, we advise Settle on our preferred window design as they are head lessee. This is what we advised:

- The Design Principles state: Matching new and replacement windows with the appearance, style and design of the original windows in the property is crucial to the integrity of the house. The proposed windows do not match the originals. The originals would have featured external glazing bars, equal sight lines and in some a central transom. We would also expect the windows to be finished in white and not brown.

Hope this helps. Please see picture of the windows that we would approve:
