Dear Sir / Madam,

**Prior Approval Part 14 Class A solar: Installation of 9 solar panels on flat roof below higher pitched roof
18 Deards End Lane, Knebworth, Hertfordshire, SG3 6NL**

I refer to the application you have submitted for a determination as to whether the Council's prior approval is required to the impact of the appearance of the proposed development.

From the information provided in your application, I have concluded, on behalf of the Local Planning Authority, that prior approval of the afore-mentioned details of the proposed development is not required in this case.

The development can, therefore, proceed in accordance with the provisions of Schedule 2, Part 14, Class A of the Town and Country Planning General Permitted Development Order 2015 (as amended). Under the Order the panels hereby proposed shall be removed as soon as is reasonably practicable when no longer needed.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
