## **7.1 LANDSCAPE AND VISUAL: INTRODUCTION**

- 7.1.1 The Regulation 25 requests make no reference to the need for additional information in relation to the assessment of impacts on landscape and visual effects reported in Chapter 7 of the original ES that have not been addressed within Chapter 7 of the subsequent ES Addendum submitted in February 2026.
- 7.1.2 There are no changes to the baseline that were not accounted for in the original ES. Furthermore, the proposed amendments to the scheme have no implications for landscape and visual effect and therefore the conclusions of the original ES (and subsequent ES Addendum) still apply.
