9.1 INTRODUCTION: ARCHAEOLOGY

- 9.1.1 The Regulation 25 requests make no reference to the need for additional information in relation to the assessment of impacts on archaeology reported in Chapter 9 of the original ES, that have not been addressed within the subsequent ES Addendum submitted in February 2026.
- 9.1.2 There are no changes to the baseline that were not accounted for in the original ES Chapter 9. In addition, the proposed amendments to the scheme have no implications for archaeology and the conclusions of the original ES therefore still apply.
