Dear Sarah,

Re: Details reserved by Condition 19 Parts A and B (Written Scheme of Investigation for Archaeological Mitigation) of planning permission reference 22/03092/FP granted 15.03.2024. - Land To The East Of Foxholes And Gainsford House And On The West Side Of Crow Furlong Hitchin Hertfordshire

ARCHAEOLOGICAL IMPLICATIONS

Thank you for re-consulting us on the above application for discharge of condition.

The applicant has submitted a revised archaeological Written Scheme of Investigation (WSI) for an archaeological strip, map and record excavation (Pre-Construct Archaeology 2025). The document now meets the requirements of this office.

I can advise partial discharge of Condition 19; i.e. Condition 19. Part A only. The programme of archaeological work may therefore commence, subject to your final approval.

I will only be able to recommend full discharge of the remainder of Condition 19 (Condition 19 Parts B and C) on consent for planning permission ref. no 22/03092/FP when all archaeological work has been completed in accordance with the WSI, an appropriate report of a satisfactory standard has been submitted, and provision has been made for further analysis and publication if required.

Please do not hesitate to contact me should you require any further information or clarification.

Yours sincerely,

Alison Tinniswood
