Deal SWS

Erection of 14 Dwellings

Reed Has Jackson Lane, Reed

Despite many building applications in the past and finally being refused permission by The Secretary of State, it seems yet another application has been made.

I am against this proposal. There is already problems with lack of water pressure

- 2 -

and the sewage system  
is unable to cope

Despite the fact that  
the proposal is outside  
the settlement boundary  
it is certainly not in  
keeping with the ethos  
of this rural village

Yours faithfully
