Dear Madam,

**Consultation - Statutory Undertakers: Removal of internal telephone equipment

I am writing in relation your letter dated 13th March and other associated documents.

I understand that the letter is for notification purposes only.

We acknowledge your intention to carry out the works in accordance with Part 16 of The Town & Country Planning (General Permitted Development) (England) Order 2015 (as amended) and confirm that this will fall within the category of permitted development.

I have not been made aware of anyone wishing to adopt the kiosk for an alternative use at this time.

Having considered the information submitted, the Local Planning Authority raises no objections to the proposed works.

Yours faithfully

Shaun Greaves
