

Subject: Retrospective Planning Application for Alteration to Rear Window Appearance - 10 Oakfields Avenue

Dear Planning Officer,

This letter accompanies a retrospective planning application for an alteration to the appearance of the rear window at 10 Oakfields Avenue, Knebworth, SG3 6NP. This application is being submitted as a direct follow-up to the Planning Compliance Investigation, reference 25/00087/1ENF.

I understand that the recent investigation identified a deviation from the originally approved plans regarding the rear window. The submitted application details the as-built appearance of the rear window, which differs from the approved design.

I have included all necessary drawings, photographs, and supporting documentation with this application to clearly illustrate the current appearance of the window and to facilitate your assessment.

Please do not hesitate to contact me should you require any further information or wish to arrange a site visit.

Thank you for your time and assistance in this matter.

Yours sincerely,

Katie Twigger
