

Re: 25/00148/FP The Jays

Hi Kerry,

Following our recent telephone conversation, please find attached the my completed self build exemption form.

Also, the description of solar panels in the application can be removed as discussed. I'll aim to amend this detail on the application at a later date.

Please confirm that this is all that is required and that validation has been completed.

Thank you,

Mark Jeffery

Good Morning

Your application has been validated and is considered valid. Whilst I am waiting for your application to be allocated to a planning officer, please can you complete and return the attached BNG Self Build exemption form.

Kind regards
