

NOTES

1) This drawing has been produced/issued for the specific use as stated in the drawing status below. The drawing should only be used therefore for matters concerning the identified use.

2) Until technical approval, consents and/or licensing has been obtained from the relevant authority, it should be understood that all drawings issued are preliminary and NOT for construction. Should the contractor commence site work prior to such approval being given, it is entirely at their own risk.

3) All dimensions and/or levels to be checked on site prior to works proceeding.
