Responsible Parking Declaration

Dear Parent,

Please remember our presence is subject to the continual approval of our neighbours and Letchworth Garden City Heritage Foundation. We ask all parents and carers who drive to the nursery to be safe, considerate and responsible when parking. Please note that you take full responsibility for anyone who drives your child to the nursery on your behalf.

Please complete the following form and sign the declaration:

Child's name in full	
Parent's name in full	
Driver's name if different	
Car Make & Model Number	
Car Registration Number	

By signing this declaration I agree to be safe, considerate and responsible when driving and parking on Glebe Road. I will not double-park, I will park well away from driveways, off the kerbs and on one side of the street so that buses and emergency vehicles have quick and clear passage. I understand that failure to drive and park in a responsible manner could result in my child losing his or her place at Glebe Kids. I understand that this declaration applies to anyone who drives my child to the nursery on my behalf and I will assume full responsibility under the terms of this declaration for any parking or driving complaints received. I further agree to inform Glebe Kids of any changes to the details I have supplied.
