GN

Dear Parents,

We are writing to remind everyone of the importance of following our parking policy, especially in light of recent complaints from our neighbours, regarding inconsiderate parking and blocked driveways since the start of term. We understand that drop-off and pick-up times can be busy, but it is absolutely crucial that all parents adhere to the guidelines we have in place.

Please ensure that under no circumstances do you block neighbours' driveways, even partially. Double parking and mounting the kerb are also strictly prohibited. While these may seem like minor infractions, they are significant to our neighbours, and even small breaches can lead to formal complaints. Unfortunately, there is no margin for error. Many of our neighbours have Ring doorbells and will send us photographic or video evidence of poor parking. If and when we receive any complaints, we are obliged to investigate and escalate as per our parking policy.

We kindly remind you that there is a no-parking zone clearly marked in red on the parking diagram (Glebe Road, odd numbers 1-49 and even numbers 2-30). Please do not park in this area, as it causes the most issues with our neighbours with private driveways. There are hardly ever spaces in this area as commuters park there all day meaning parents will often block a driveway in order to park. There are always spaces available slightly further up on Glebe Road and on Cromwell Road less than a two minute walk, or at Norton Common car park, which is only a five-minute walk from the nursery.

Attached again is our parking diagram for your reference, outlining both the designated parking zones and the areas where parking is strictly forbidden. We sincerely appreciate those of you who consistently follow the policy; your cooperation makes a huge difference in maintaining good relations with our neighbours and safeguarding the future of our nursery.

I would also like to take a moment to highlight the dedicated efforts of our team members, Charlotte, Hayley and whoever stands out in the morning. These wonderful teachers voluntarily oversee the parking situation during drop-off and pick-up times to help ensure everyone's safety and adherence to our policy. Please remember that Charlotte and Hayley are not parking attendants; they are qualified early years educators who go above and beyond to assist our community! Any disrespect towards them is entirely unacceptable. We thank them for always being so kind and considerate in understanding it's difficult for some parents to find somewhere to park at times.

We just ask you give yourself a few extra minutes in the morning to be patient in finding yourself somewhere to park.

Thank you again to those parents who have been following our parking rules consistently. We truly appreciate your understanding and cooperation!

Best regards,

Kent and Samantha
