

170 Wilbury Road – Design and access

The existing timber window is extremely rotten and past its usable life. This has been unstable and causes risk to the gable window.

I am proposing to replace this with a new timber window that will look exactly like the original. This has been done at 168 Wilbury Road which is an exact copy of my property.

I believe this retains the existing character of the property.

Historic England Listing details:

- Heritage Category: Listed Building
- Grade: II
