The proposal complies with this criterion.

(b) as a result of the works, the total area of ground covered by buildings within the curtilage of the dwellinghouse (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse);

The proposal complies with this criterion.

(c) the height of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the highest part of the roof of the existing dwellinghouse;

The proposal complies with this criterion.

(d) the height of the eaves of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the eaves of the existing dwellinghouse;

The proposal complies with this criterion.

(e)the enlarged part of the dwellinghouse would extend beyond a wall which—

(i)forms the principal elevation of the original dwellinghouse; or

(ii)fronts a highway and forms a side elevation of the original dwellinghouse;

The proposal complies with this criterion.

(f)subject to paragraph (g), the enlarged part of the dwellinghouse would have a single storey and—

(i)extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or

(ii)exceed 4 metres in height;

The proposal complies with this criterion.

(g)for a dwellinghouse not on article 2(3) land nor on a site of special scientific interest, the enlarged part of the dwellinghouse would have a single storey and—

(i)extend beyond the rear wall of the original dwellinghouse by more than 8 metres in the case of a detached dwellinghouse, or 6 metres in the case of any other dwellinghouse, or

(ii)exceed 4 metres in height;

The proposal complies with this criterion.

(h)the enlarged part of the dwellinghouse would have more than a single storey and—

(i)extend beyond the rear wall of the original dwellinghouse by more than 3 metres, or

(ii)be within 7 metres of any boundary of the curtilage of the dwellinghouse being enlarged which is opposite the rear wall of that dwellinghouse;

The proposal complies with this criterion.

(i)the enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres;

The proposal complies with this criterion.

(j)the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse, and would—

(i)exceed 4 metres in height,

(ii)have more than a single storey, or

(iii)have a width greater than half the width of the original dwellinghouse; or

The proposal complies with this criterion.

(ja) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraphs (e) to (j);

The proposal complies with this criterion.

(k) it would consist of or include—

- (i) the construction or provision of a verandah, balcony or raised platform,**
- (ii) the installation, alteration or replacement of a microwave antenna,**
- (iii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or**
- (iv) an alteration to any part of the roof of the dwellinghouse; or.**

The proposal complies with this criterion.

A.2 In the case of a dwellinghouse on article 2(3) land, development is not permitted by Class A if—

(a) it would consist of or include the cladding of any part of the exterior of the dwellinghouse with stone, artificial stone, pebble dash, render, timber, plastic or tiles;

The application site is not situated within an article 2(3) area. The proposal complies with this criterion.

(b) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse; or

The application site is not situated within an article 2(3) area. The proposal complies with this criterion.

(c) the enlarged part of the dwellinghouse would have more than a single storey and extend beyond the rear wall of the original dwellinghouse.

The application site is not situated within an article 2(3) area. The proposal complies with this criterion.

(d) any total enlargement (being the enlarged part together with any existing enlargement of the original dwellinghouse to which it will be joined) exceeds or would exceed the limits set out in sub-paragraphs (b) and (c).

The application site is not situated within an article 2(3) area. The proposal complies with this criterion.

Conditions

A.3 Development is permitted by Class A subject to the following conditions—

(a) the materials used in any exterior work (other than materials used in the construction of a conservatory) must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;

The proposal complies with this criterion.

(b) any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse must be—

(i) obscure-glazed, and

(ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed; and

The proposal complies with this criterion.

(c) where the enlarged part of the dwellinghouse has more than a single storey, or forms an upper storey on an existing enlargement of the original dwellinghouse, the roof pitch of the enlarged part must, so far as practicable, be the same as the roof pitch of the original dwellinghouse.

The proposal complies with this criterion.

4.3.3 B. Additions etc to the roof of a dwellinghouse.

B.1 Development is not permitted by Class B if—

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M, N, P or Q of Part 3 of this Schedule (changes of use);

The property was originally built as a residential dwelling and so complies with this criterion.

(b) any part of the dwellinghouse would, as a result of the works, exceed the height of the highest part of the existing roof;

The proposal does not exceed the height of the highest part of the existing roof and so the proposal complies with this criterion.

(c) any part of the dwellinghouse would, as a result of the works, extend beyond the plane of any existing roof slope which forms the principal elevation of the dwellinghouse and fronts a highway;

The proposal would not extend beyond the plane of any existing roof slope which forms the principal elevation of the dwellinghouse and fronts a highway and so complies with this criterion.

(d) the cubic content of the resulting roof space would exceed the cubic content of the original roof space by more than—

(i) 40 cubic metres in the case of a terrace house, or

(ii) 50 cubic metres in any other case;

The total additional cubic content of the resulting roof space would be less than 50 cubic metres and so complies with this criterion.

(e) it would consist of or include—

(i) the construction or provision of a verandah, balcony or raised platform, or

(ii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe;

The proposal complies with this criterion.

(f) the dwellinghouse is on article 2(3) land

The dwellinghouse is not on article 2(3) land and so complies with this criterion.

(g) the dwellinghouse is built under Part 20 of this Schedule (construction of new dwellinghouses) or

The dwellinghouse was not built under Part 20 of this Schedule and so complies with this criterion.

(h) the existing dwellinghouse has been enlarged in reliance on the permission granted by Class AA (enlargement of a dwellinghouse by construction of additional storeys).

The existing dwellinghouse has not been enlarged in reliance on the permission granted by Class AA and so complies with this criterion.

Conditions

B.2 Development is permitted by Class B subject to the following conditions—

(a) the materials used in any exterior work must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;

(b) the enlargement must be constructed so that—

(i) other than in the case of a hip-to-gable enlargement or an enlargement which joins the original roof to the roof of a rear or side extension—

(aa) the eaves of the original roof are maintained or reinstated; and

(bb) the edge of the enlargement closest to the eaves of the original roof is, so far as practicable, not less than 0.2 metres from the eaves, measured along the roof slope from the outside edge of the eaves; and

(ii) other than in the case of an enlargement which joins the original roof to the roof of a rear or side extension, no part of the enlargement extends beyond the outside face of any external wall of the original dwellinghouse; and

(c) any window inserted on a wall or roof slope forming a side elevation of the dwellinghouse must be—

(i) obscure-glazed, and

(ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed.

The proposal complies with these criteria.

4.3.4 C. Any other alteration to the roof of a dwellinghouse.

C.1 Development is not permitted by Class C if -

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M, MA, N, P, PA] or Q of Part 3 of this Schedule (changes of use);

The property was originally built as a dwellinghouse and so complies with this criterion.

(b) the alteration would protrude more than 0.15 metres beyond the plane of the slope of the original roof when measured from the perpendicular with the external surface of the original roof;

The alteration would not protrude more than 0.15 metres beyond the plane of the slope of the original roof when measured from the perpendicular with the external surface of the original roof and so complies with this criterion.

(c) it would result in the highest part of the alteration being higher than the highest part of the original roof;

The rooflights would not exceed the highest part of the original roof. As such, the proposal complies with this criterion.

(d) it would consist of or include—

(i) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or

(ii) the installation, alteration or replacement of solar photovoltaics or solar thermal equipment; or

The alterations do not include any of the works mentioned in (d) (i) or (ii) and so complies with this criterion.

(e) the dwellinghouse is built under Part 20 of this Schedule (construction of new dwellinghouses).

The dwellinghouse was not built under Part 20 of this Schedule and so complies with this criterion.

Conditions

C.2 Development is permitted by Class C subject to the condition that any window located on a roof slope forming a side elevation of the dwellinghouse must be—

(a) obscure-glazed; and

(b) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed.

The proposal complies with these criteria.

4.4.1 A Certificate of Lawfulness (proposed) can be issued on the basis that the proposed insertion of rear box dormer window and rooflight to rear roof slope to facilitate loft conversion, changes to ground floor rear fenestration and removal of 1 no. first floor side facing window constitutes permitted development by virtue of Class A, Class B and Class C, Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 as amended.
