

Rev. No.	Date	Amendment	Initial
----------	------	-----------	---------

1. Ponds to be installed as one of the first activities to be able to drain any site water into these.
2. All on-site storm and foul drainage to be installed early. Silt fences to be installed across outlets to prevent silt run-off offsite.
3. Temporary outlet for wheel wash into pond, with silt fence across outlet into pond.

Silt fence example:
