43 High St Barkway Royston, Hertfordshire SG8 8EA	Local plan - conservation areas: Barkway

Fig. 1; Location of Trees

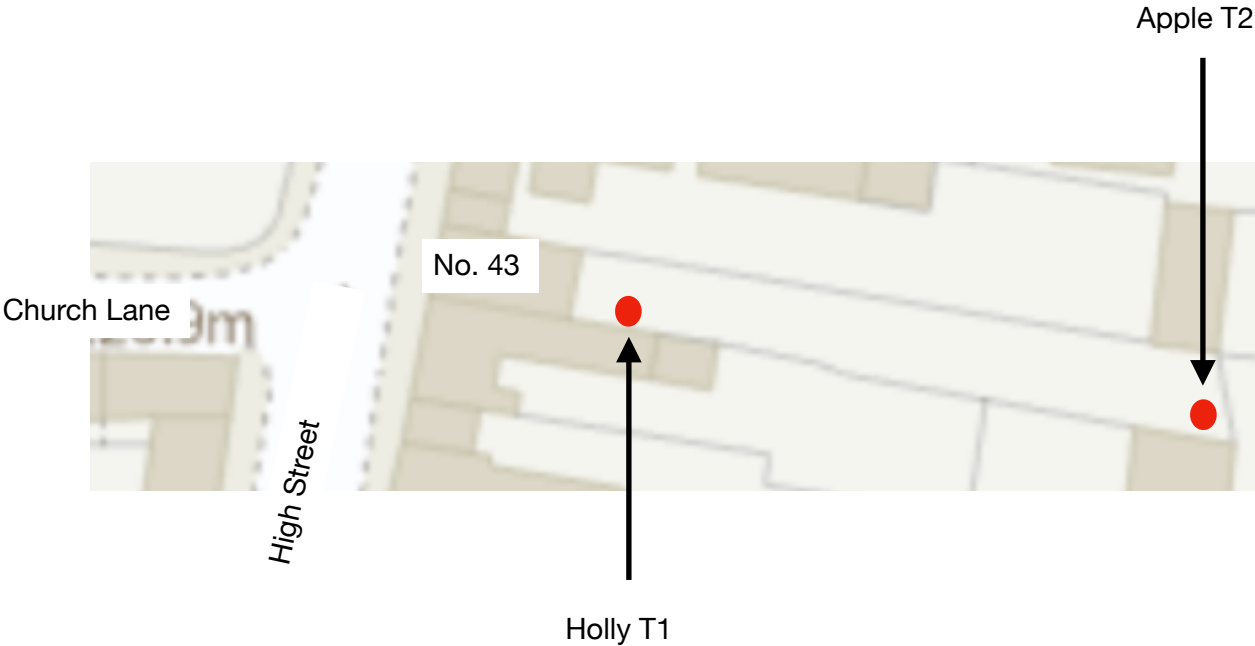

Fig. 2; Schedule of Works

Schedule of Works					
Ref.	Tree	Tree Description	Pictures	Tree Location	Proposed Works
T1	Holly Tree	1x Holly	See Fig 3 below (Page 3)	Located as highlighted in Fig. 1 along the southern boundary of the property adjacent to neighboring property.	On behalf of our client we propose to carry out the following.... -The reduction of the Holly in height by approx 2m to 3m. -Some light pruning on the sides reducing the overall width of the tall Holly tree by approx. 1m. -Some thinning to result in a better balanced crown.
T2	Apple Tree	1x Apple	See Fig 4 below (Page 4)	Located as highlighted in Fig. 1 adjacent the eastern boundary of the property.	On behalf of our client we propose to carry out the following.... -The reduction in height of the tree by approx. 2.5m -The pruning back of the sides of the tree by approx. 1m on all sides -Crown to be thinned, have deadwood removed and to be shaped and balanced
