Hi Abs

Thank you for your email. Yes, Alex Howard left us mid March.

In my view it will be best to submit an NMA application showing the retention of the ground floor as existing and the retention of the original fenestration at ground floor so that the proposed plans are accurate.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
