

Architectural elevation drawing of a two-story house. The drawing shows the front facade with a gabled roof. The house features a central entrance with a small porch, two side entrances, and several windows. Dimensions are provided on the left: 8475 for the total height and 4650 for the main body height.

[illegible]

Side elevation drawing of a two-story house. The drawing shows the roofline, windows, and doors. Dimensions are provided on the left: a total height of 8695 and a height of 4650 for the main body of the house.

Floor plan of the second floor, showing two identical apartment units. The plan is labeled "ELEV. B" on the left and "ELEV. A" on the right. Dimensions are provided: 9685 on the left, 10655 on the right, and 15327 at the bottom.

Each unit includes the following rooms and features:

- Living:** Features a sofa, armchair, and coffee table.
- Dining:** Features a dining table and chairs.
- Kitchen:** Features a kitchenette with a sink, stove, and refrigerator.
- W.C. (Water Closet):** Includes a toilet and sink.
- St. (Staircase):** Provides access to the upper and lower floors.
- Hall:** Connects the living, dining, kitchen, and W.C. areas.

An aerial photograph of a residential neighborhood, likely in a city. The map shows numerous houses with varying rooflines and colors. A red rectangle is drawn on the map, highlighting a specific area in the lower-left quadrant. This area appears to be a cluster of houses or a small commercial district. The surrounding area is mostly residential with some open spaces and roads.
