

Architectural elevation drawing of a two-story building facade. The drawing shows a symmetrical design with a central entrance and two side entrances. The roof is gabled with horizontal siding. The upper story has six windows, and the lower story has four windows. Dimensions are indicated on the left: 8475 for the total height and 4650 for the lower story height.

This is a black and white architectural elevation drawing of a house. The house features a steep gabled roof with a decorative finial at the peak. A chimney is located on the left side of the house. The main body of the house is divided into two horizontal sections by a thick, textured line representing a roofline or a decorative band. There is a small, narrow window in the upper section and a larger, rectangular window in the lower section. The entire drawing is rendered with fine horizontal lines for shading and texture.

The second floor consists of two identical side units and a central shared area. Each side unit includes a bedroom (Bed 1 and Bed 2), a bathroom, and a staircase. The central area contains a shared staircase and two small storage rooms (St.).

- Left Unit:**
 - Bed 1: 10.80sqm
 - Bed 2: 12.87sqm
 - Bath
 - Staircase (down)
 - Storage Room (St.)
- Right Unit:**
 - Bed 1: 10.80sqm
 - Bed 2: 12.87sqm
 - Bath
 - Staircase (down)
 - Storage Room (St.)
- Central Area:**
 - Shared Staircase (down)
 - Storage Room (St.)

This is a detailed architectural elevation drawing of a house. The house features a steep gabled roof with a wide overhang. A small dormer window with a multi-paned design is centered on the upper half of the front facade. A horizontal line, possibly representing a roofline or a decorative element, runs across the middle of the house. Below this line, there is a chimney on the right side and a small, narrow window or door. The entire drawing is rendered in black lines on a white background, with a hatched pattern used for shading on the roof and the chimney.

Floor plan of the first floor of a three-unit residential building. The plan shows three identical units side-by-side. Each unit includes a Kitchen, Dining area, Living area, Hall, W.C. (Water Closet), and a Staircase. The overall dimensions are 9085 on the left and 15038 at the bottom. Elevation markers 'ELEV. B' and 'ELEV. A' are shown on the left and right sides respectively.

An aerial photograph of a residential neighborhood, likely in a city. A red line outlines a specific area of interest. Within this area, two buildings are highlighted with red shading: one in the upper right and one in the lower left. The buildings are surrounded by other residential structures, streets, and green spaces.
