Subject: 24/01962/FP Land Adjacent To Red Brick Cottage, The Street, Kelshall, Royston, Hertfordshire,

Dear Planning,

Please see Wastes comment below -

For houses, waste collection is a kerbside service; therefore, residents must be able to take their bins to the kerbside on The Street, Kelshall, for emptying. Bins must be accessible to crews directly from the kerbside, without pulling distances.

Adequate off-street storage must be provided for bins, and storage areas need to have sufficient space for all necessary waste and recycling containers.

The surface to the collection point should be uninterrupted, level with no gravel or similar covering, and have a width to enable the easy passage of wheeled bins. For two-wheeled bins this should be 1 metre with a maximum gradient of 1:12.

Kind regards,

Shared Waste Service
Contract Officer
