Description of development: Lawful Development Certificate application for the proposed provision of a twin unit mobile home (not operational development) within the garden of the lawful dwelling house for use as additional accommodation by one household (not a material change of use)

The North Hertfordshire District Council, in pursuance of their powers under the above-mentioned Act and the associated Orders and Regulations, hereby CERTIFY that on the date of receipt of the application the matter described above in respect of the aforementioned land and edged in red on the plan would have been lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended).

The reason for this determination is as follows :-

The siting of the mobile home would meet the requirements of Section 29 of the Caravan Sites Act 1968 as amended 2006 and the definition of the Caravan Act 1960. Moreover, the proposal would not involve a material change of use of land. The siting of the proposed mobile home would therefore not comprise development requiring planning permission under section 55 of the Town and Country Planning Act (1990).
