Architectural elevation drawings of a proposed building extension, showing Front, Side, and Rear views. The drawings include labels for 'Neighbouring property', 'Existing building', 'Roof canopy', 'Brickwork to match existing', 'Existing building', 'Proposed extension', and 'Brickwork to match existing'. A scale bar on the right indicates dimensions from 0 to 4.0m.

The architectural drawings show three elevations of a proposed building. The **Front** elevation is a two-story structure with a gabled roof, a large front door, and several windows. The **Side** elevation shows a single-story structure with a gabled roof and a small window. The **Rear** elevation is a two-story structure with a flat roof, a large rear door, and several windows. The building is constructed of brick and has a white roofline.
