1.3 **North Hertfordshire Draft Local Plan 2011-2031**

The Local Plan has now been submitted to the Secretary of State, following completion of the final public consultation exercises and having been agreed and approved by Full Council in April 2017. The policies of the Draft Local Plan therefore carry limited weight at this stage, however the policies are to be afforded increased weight and consideration at each stage of the process up until full adoption. The policies of relevance in this instance are as follows:

D1 – Sustainable Design
D2 – House Extensions and Replacement Dwellings
D3 – Protecting Living Conditions
T2 – Parking

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 No. 8 is a three storey terraced dwelling situated on Robins Hill within a predominantly residential area of Hitchin. The property features an existing front projection at ground floor level incorporating a garage and porch. The application site is not situated within a Conservation Area.

4.2 **Proposal**

4.2.1 Planning permission is sought for the erection of a front porch that would sit flush with the front elevation of the garage projection. The development would feature a mono-pitch roof to match the existing.

4.3 **Key Issues**

4.3.1 The key issues for consideration are as follows:

--The acceptability of the design of the proposed development and its resultant impact on the character and appearance of the area.

--The impact that the proposed development would have on the living conditions of neighbouring properties.

--The impact that the proposed development would have on car parking provision in the area.

Design and Appearance:

4.3.2 The objectives of the NPPF include those seeking to secure high quality design and a good standard of amenity (Section 7 - Requiring good design). In this regard, Policy 28 and 57 of the Local Plan is consistent with the NPPF.

4.3.3 The proposed development, whilst visible from within the street scene, would not result in any adverse impact upon the character and appearance of both the street scene and host dwelling. The development would be limited in scale given its single storey nature. Furthermore, the extension would appear subservient to the host dwelling given the appropriate design and matching materials.

4.3.4 Given the above, it is considered that the proposed development would not result in an unacceptable impact upon the character and appearance of the host property and would therefore be compliant with Policy 28 and 57 of the District Local Plan and the core principles set out within the National Planning Policy Framework.

Impact on Neighbouring Properties:

4.3.5 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy 28 of the Local Plan.

4.3.6 The proposed extension would not result in any unacceptable impact upon the light, privacy or amenity of neighbouring occupiers given the limited scale, height and subservient design occupiers and is therefore compliant with Policy 28 of the District Local Plan and the aims of the National Planning Policy Framework.

Highways and Parking:

4.3.7 The proposed development does not include an increase in the number of bedrooms, therefore there would be no car parking issues arising from the proposed development.

4.4 **Conclusion**

4.4.1 The proposed development is considered acceptable and are considered to comply with the necessary provisions of both the existing and emerging Local Plan policies and the National Planning Policy Framework. Grant conditional permission.

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

   Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

   Reason:To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

Proactive Statement

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraphs 186 and 187) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
