Please describe the proposed works

The installation of replacement flooring within the main hallway, and the reuse of these lifted tiles in the Ground Floor cloakroom and boot room.

The installation of a minimal ensuite to Bedroom 5 on the first floor and built-in joinery to rationalise the space.

Ventilation to the proposed ensuite carried through the roof void to the rear catslide roof to avoid disruption to the chevron tiled front roof elevation.

- ☒ Yes
☐ No

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material) demolition excluded

Type:

Floors

Existing materials and finishes:

The existing hallway tiles are estimated to be Edwardian or Victorian and are in many places loose or cracked.

Proposed materials and finishes:

Rather than attempting to repair the existing, or choosing a ceramic tile from a particular era which risks a pastiche appearance, we propose the use of stone as an ancient and timeless material. The stone acts as a mediator to make reference to the historic Hall-House, the building's Queen Anne origins, and provides a more neutral palette to allow the historic fabric to be better read. We propose a natural stone tile such as Versailles Softly Aged Limestone Tiles from Quorn Stone

Are you supplying additional information on submitted plans, drawings or a design and access statement?

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
