PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **GRANT PERMISSION** for the development proposed by you in your application received with sufficient particulars on 10 March 2026, subject to the following condition(s):

Biodiversity Net Gain

1. This development is not subject to the statutory Biodiversity Gain Plan condition because it is considered exempt under the statutory exemptions (<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>) or transitional arrangements in respect of the biodiversity gain condition.

Planning Conditions

1. The use of the property within Sui Generis of the Town and Country Planning (Use Classes) (Amendment) (England) Regulations 2020, (or as amended) hereby approved, shall only operate between the hours of 11:00 and 22:00 Monday to Saturdays and Sunday between 16:00 and 20:00

Reason: To protect the residential amenities of existing residents and in accordance with Policy D3 of the North Hertfordshire Local Plan 2011 to 2031.

2. The operation hours for Sundays hereby permitted shall be for a limited period of 12 months from the date of this decision. The use hereby permitted with extended hours of operation shall be discontinued and may revert to those restricted hours of operation under permission reference 95/00276/1.

Reason: Permission has been granted for a temporary period solely to monitor the use and the appropriateness of the extended opening hours in regards to amenity of neighbouring properties, in line with Policy D3 of the North Hertfordshire Local Plan 2011 to 2031.

3. The use hereby permitted shall operate on a delivery-only basis and shall not be open to members of the public for the collection of food or drink on a Sunday. No customers shall be permitted to enter the premises on Sundays for the purposes of ordering or collecting goods, and no over-the-counter sales shall take place.

The operator shall implement and retain measures to prevent customer collection from the premises, including but not limited to: clear signage displayed on the site and on any ordering platforms stating that no collection is permitted; the disabling of any "click and collect" or similar options; and procedures requiring staff to refuse service to any customers attending in person.

Reason: To protect the amenities of neighbouring residential occupiers by minimising noise, disturbance, and general activity at the site, in accordance with Policy D3 of North Hertfordshire Local Plan 2011 to 2031

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

NOTES

- 1 **Failure to satisfy conditions may invalidate this permission and/or result in enforcement action. Particular attention should be paid to the requirements of any condition in bold.**
- 2 Applicants will need to pay a compliance fee where they request confirmation in writing of any planning consent, agreement or approval (commonly known as discharge of conditions) required by one or more conditions or limitations attached to a grant of planning permission.
- 3 The fee is £309 per request or £89 where the permission relates to an extension or alteration to a dwellinghouse or other development in the curtilage of the dwellinghouse.

The request can be informal through the submission of a letter or plans, or formal through the completion of an application form and the submission of plans. Any number of conditions may be included on a single request. The form is available via the Council's website:

www.north-herts.gov.uk/home/planning/planning-applications/submit-planning-

[application](#)

- 4 If the development hereby permitted is one that will require a new postal address/es then please contact the Council's **street naming and numbering service** on 01462 474431 or email SNN@north-herts.gov.uk who will advise you on how to apply for the new address/es.

Any proposed sales and/or marketing name to be adopted by the developer should be forwarded to the **street naming and numbering service**, prior to any publication of the site details and sales information.

- 5 If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's (LPA) decision then you must do so within 6 months of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

6 Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

- 7 The District Council and County Highway Authority wish to ensure that, in the implementation of the development, hereby approved, the highway verge adjacent to the property is not damaged or does not become unsightly due to the stationing of skips, parking of vehicles, storing of building materials etc thereon. Your attention is, therefore, drawn to the provisions of Section 131 of the Highways Act 1980 and to the Hertfordshire County Council Bylaws 1955 (specifically relating to grass margins and verges in Letchworth Garden City) by virtue of which such actions, unless authorised by the prior grant of a licence, constitute a prosecutable offence. Persons responsible for undertaking the development and any associated works are, therefore, strongly encouraged to take appropriate steps to ensure that no breach of the said legislation occurs during the course of such activities. In the event of any damage being caused it will be expected that suitable reinstatement is undertaken upon completion of the development. Failure to do so could also result in legal action being pursued. To obtain information regarding the issue of licences, contact Hertfordshire Highways, Hertfordshire County Council, County Hall, Pegs Lane, Hertford, SG138DQ or telephone 0300 1234 047.
