

DELEGATED FILE NOTE

CASE OFFICER: ...William Thompson.....

APPLICATION REFERENCE	BRIEF DESCRIPTION OF DEVELOPMENT	APPLICATION SITE
24/02734/FPH	Single storey side extension following demolition of existing attached garage	1 Elms Close Little Wymondley Hitchin Hertfordshire SG4 7HP

Submitted Plan Nos

1100 1200 1300 1400

D1	Sustainable design
D2	House exts, replcmnt dwellings outbuild
D3	Protecting living conditions
T2	Parking
SECN12	Achieving well-designed places
SECN14	Meeting climate change,coastal,flooding

2.0 **Site History**

2.1 06/00765/1HH - Rear conservatory

Conditional Permission

3.0 **Representations**

3.1 **Neighbour Consultation** – None received.
Wymondley Parish Council – None received.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

- 4.1.1 The site is a semi-detached, two-storey dwelling on the north side of Elms Close in a residential part of Wymondley, Hitchin. Gardens exist to the front and rear, along with a driveway and garage.

4.2 **Proposal**

- 4.2.1 Single storey side extension following demolition of existing attached garage.

4.3 **Key Issues**

- 4.3.1 The key issues for consideration are as follows:

- The acceptability of the design of the proposed development and its impact on the character and appearance of the area.
- The impact of the proposed development on the living conditions of neighbouring properties.
- Access and parking matters.
- The impact of the proposed development on the environment.

Design

- 4.3.2 Policy D1 of the Local Plan requires that development proposals respond positively to the site's local context, retain existing vegetation and minimise the visual impact of street furniture and parking provision. Policy D2 of the Local Plan requires extensions to houses to incorporate design that is sympathetic to the main dwelling in terms of its scale, form and orientation and does not harm the character and appearance of the locality around the site. These policies are broadly consistent with Section 12 of the National Planning Policy Framework.
- 4.3.3 The proposed single storey side extension would have a width of 3.3m, adding 0.7m of width to the existing front elevation, have a depth of 8.1m and a double-pitched roof with an eave's height of 2.3m and a peak of 5.0m, adding 0.9m to the existing height and matching the roof pitch of the existing dwelling. The proposal includes 2no. ground floor, side elevation windows. The external materials would be facing brickwork for the walls to match existing, tiles for the roof to match existing and uPVC windows.
- 4.3.4 In my view, the scale of the proposed extension would be a sympathetic addition to the dwelling and would not be considered disproportionate. The proposed roof form and

materials are considered sympathetic to the dwelling and wider street scene and would not result in an adverse effect on the character of the dwelling.

- 4.3.5 This is considered to be in line with Section 12 of the National Planning Policy Framework and Policies D1, D2 and D3 of the Local Plan.

Impact on Neighbours

- 4.3.6 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy D3 of the NHLP.
- 4.3.7 Regarding the industrial unit to the west, the proposed side elevation windows would face a wall or the roof; so, there would be no impact in terms of overdominance, shading or loss of privacy.
- 4.3.8 Regarding, no.2 Elms Close, the adjoining neighbour, any changes would not be visible from this property so there would not be unacceptable harm in terms of overdominance, shading or loss of privacy.
- 4.3.9 Regarding the proposed front elevation, the design is largely similar, simply wider and taller and is sympathetic to the dwelling and wider streetscene.
- 4.3.10 This development is therefore considered to be in accordance with Policy D3 of the NHLP and Section 12 of the NPPF.

Highways and Parking:

- 4.3.11 The proposal does not include an increase in the number of bedrooms. Therefore, with regard to Policy T2 of the NHLP, there would be no car parking issues arising from the development.

Environmental Implications

- 4.3.12 The proposed development would be consistent with the criteria set out in Policy D1 of the NHLP '*Sustainable Design*'. There are no other significant environmental implications as a result of the proposed development.

Biodiversity Net Gain:

- 4.3.13 This is a form of development which is exempt from BNG Legislation, defined under article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 due it falling under the scope of the 'de minimis' exemption.

4.4 **Conclusion**

- 4.4.1 The proposed development is considered acceptable and in accordance Policies D1, D2, D3, T2 of the NHLP 2011-2031 and Sections 12 and 14 of the NPPF.

4.5 **Alternative Options**

- 4.5.1 None.

4.6 **Pre-Commencement Conditions**

- 4.6.1 None.

5.0 **Recommendation**

- 5.1 That planning permission be **GRANTED** subject to the following conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. The extension(s) hereby permitted shall be built in external materials to match the existing dwellinghouse unless otherwise agreed in writing by the LPA.

Reason: To protect the visual amenities of the locality and to comply with Policies D1 and D2 of the North Hertfordshire Local Plan 2011 to 2031.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
