## **TREE REPORT**

### **Address**

172 Wilbury Road,  
Letchworth Garden City  
SG6 4JA

### **Assessment notes**

We were requested to visit the above property to reduce two large conifers to fence height (T1&T2) The owner of the trees are concerned as the trees are growing over to the outbuilding causing damage to the roof. The trees are becoming too big for the owners to manage, they are unable to grow anything underneath the trees and are also causing damage to their driveway.

The owners would like the trees to be reduced to the same height as the conifer hedge (Approx reduction of 6-7ft) and are happy to re plant.
