

Block Plan 1:500
Licence number AC0000806982

Proposed Species Rich hedgerow Planting
Species rich with a minimum of 5 species

Proposed Tree Planting
native tree species with wildlife benefits
(fruit and nut bearing species; nectar and pollen-rich species)

Proposed Tree Planting
large specimen tree planting to provide natural screening to development

Species Rich hedgerow Planting

Native Tree Species

NOTES
Trees: Ground work within RPA of existing trees - Any required excavations within RPA's for the new planting and fence posts shall be undertaken by hand using hand held tools only to minimize any root damage. All such works will be undertaken in full accordance with Section 7.2 of BS5837: 2012. Any required root pruning will be undertaken by the Arboricultural Consultant (where such works are appropriate in accordance with the above Standard)

Underground Services: The contractor shall determine the location of all underground services prior to commencing landscape work.

Surface finishes: to be installed in accordance with the manufacturers instructions. All hard surfaces laid to falls.

Planting stock: All planting stock shall be source locally, UK grown plants from quality UK growers.

Advanced procurement: Whenever possible shrubs should be propagated in the UK and grown on in the UK for a minimum of two years.
