Proposal

Full Planning Permission : Erection of two brick entrance pillars to private road

Recommendation

Notice is given under article 22 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

Salix Close does not form part of the highway maintainable at public expense, so the Highway Authority has no jurisdiction here. It does however note that the pillars will be positioned in such a way that would obstruct any future extension of the footways into the development.

The applicant is cautioned to ensure that the work is carried out without obstructing or inconveniencing users of the public highway along Codicote Road.

Signed

Geoff McMahon
