What was the original application type?

Full planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

- ☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Amendment to working of Condition 26 first paragraph to read

Prior to any works above house slab level of the development hereby permitted the main vehicular access

Please state why you wish to make this amendment

UKPN are carrying out diversion works on the site and work is not allowed to start on the roadway section of the development until they have completed their work which is continually being pushed back and is now estimated to be April 2026.

Because of these delays the expiry time for the approval is coming close - July 2026 !

The amended wording to condition 26 will allow some ground works to be carried out which would implement the consent before it expires

A second reason is the time taken in completing a Section 278 agreement with HCC Highways

This minor variation to wording will solve both issues

Are you intending to substitute amended plans or drawings?

- ☐ Yes
- ☒ No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
- ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
- ☐ The applicant
- ☐ Other person

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
