Dear Mr Easton

Terrace of 6 dwellings comprising 4 x 3 bedroom and 2 x 2 bedroom units and associated parking with new and extended access from Football Close (Outline: design, external appearance and landscaping reserved), in accordance with amended plan received on 30th May 2003.

Land at, Football Close, Baldock, SG7 5AH

I have now learnt from the County Planning Archaeologist that the archaeological excavation work at the above site has now been satisfactorily completed. He also advises that he has a written statement from your client's archaeological contractor that the funding is in place to complete the archiving and publication of the project and that this work is likely to be completed by the end of this year

With the above in mind, I can now confirm that the requirements of condition 10 of the planning permission granted on 25 June 2003 under reference 03/0350/1 have been met and you will no doubt want to advise your clients, so that they can update their records accordingly

Yours sincerely

Alan Breckon
Principal Planning Officer
