Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

All existing replacement window profiles are amended to casement windows without a bar in the middle, and there is a colour adjustment to the proposed dark red colour to RAL 6015 Black Olive (dark green) externally. This colour revision applies to all proposed new windows at the ground-floor front bay, the first-floor rear extension, the garden studio, and the flat roofs.
There are also changes to the material of the flat roof of the extensions to the Zinc finish.

Please state why you wish to make this amendment

A casement window without a bar in the middle will offer the applicant an improved view. Additionally, the proposed colour adjustment will create greater harmony by matching the dark-toned windows of the neighbouring property.

The revised flat roof, constructed in Zinc, will feature a minimum 3-degree slope, ensuring improved water runoff from the surface and facilitating easier maintenance.
