Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☐ Yes
- ☒ No

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☒ Yes
- ☐ No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

Current use is Class E(e), as a GP Surgery, and the Council have confirmed that the continued use of ground floor premises as Class E, as an office would also fall within Class E(g)(i). Consequently, this application is sought, via a Lawful Development Certificate, to confirm no change of use is required for the new use.

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

GP Surgery.

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Current use is Class E(e), as a GP Surgery, and the Council have confirmed that the continued use of ground floor premises as Class E, as an office would also fall within Class E(g)(i). Consequently, this application is sought, via a Lawful Development Certificate, to confirm no change of use is required for the new use.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

In an Email from Paul Chaston (MRTPI), dated 30th June 2023, he kindly confirmed that:

"Further to our phone conversation, I can confirm that the current/last use of the ground floor level as a GP surgery would fall under Use Class E(e) of the Use Classes Order. If you intend to eventually convert this to an office, this would fall under Use Class E(g)(i). Given that the office use would also fall under Use Class E, planning permission would not be required for conversion to an office."

Select the use class that relates to the existing or last use.

E(e) - Medical or health services - Except premises attached to the residence of the provider

Information about the proposed use(s)

Select the use class that relates to the proposed use.

E(g)(i) - Offices - Except where not suitable in a residential area

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

See above Email from Paul Chaston, MRTPI.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☒ Yes
☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

As previously stated.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☐ Owner
☒ Lessee
☐ Occupier
☐ Other

If Lessee or Occupier, please give details of the owner and state whether they have been informed in writing of this application
