Your ref 18/00309/FPH

Dear Ms Poyser,

I write regarding the notification of planning application number 18/00309/FPH,single storey rear extension following demolition of existing garage at 14 The Paddock,Hitchin,Herts, SG4 9EF and I object.
I feel the submitted plans are not explicit.

I do not have robust professional,qualified ,impartial advice and confirmation,with the appropriate documents in place to ensure this large proposal does not have the potential to adversely affect my property and interests both during the construction process and at any time thereafter.

I would like to point out that I have legal rights to my fence along my driveway remaining in situ and its positioning must not be interfered with.
Thankyou.

Yours sincerely

[redacted]
