Subject: 25/00639/FPH | Erection of detached annexe with dual pitched roof to rear garden/Swan Cottage

Dear Sir,

With regard to the stated planning application please may I know when a decision will be reached as to its , hopefully, rejection?

My wife and I along with our neighbours have listed our objections which we hope will be taken into due consideration.

Our concern has been heightened by the fact that the owners of Swan Cottage have started to clear the land where the proposed building would be situated, placing the detritus in a skip placed at the end of Bradway on a public right way. Please see attached photograph.

I look forward to your reply.

Regards,

Mark C Blencowe
