Applicant:

Inderjit Sandhu

Date of Receipt of Application: 26.01.2026

Site: **19 Station Way, Letchworth Garden City, Hertfordshire, SG6 3SF**

Description of development: Replacement windows and doors to side and rear elevations

The North Hertfordshire District Council, in pursuance of their powers under the above-mentioned Act and the associated Orders and Regulations, hereby CERTIFY that on the date of receipt of the application the matter described above in respect of the aforementioned land and edged in red on the plan would have been lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended).

The reason for this determination is as follows :-

The proposed development does not benefit from Permitted Development Rights under Town and Country Planning General (Permitted Development) 2015 (as amended). However, given the similarity in appearance of the units in terms of their design, colour and form, I would not consider that operational development would occur. Therefore, the proposal is considered to be 'de minimis' and a Certificate of Lawfulness can be issued on this basis.
