

Hi Alison,

Thank you for your email. Following on from this I can confirm that I have amended the planning application form via the planning portal. I have attached the draft form for your benefit.

Ermal, in relation to point 2, can you please get this filled in and sent to Allison as soon as possible?

Allison, in relation to point 3 please see the attached amended site plan which specifies the external materials.

Relating to point 5 we agree with the revised description.

I trust the above and attached will suffice however should you need anything at all then please do not hesitate to contact me.

Thank you
