Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

Replacement of two timber windows. Replacing single glazed with double glazed (heritage slim glazing). For the front window, the replacement is intended to be a replica of the existing window, but with double glazing. The rear window replacement will be a flush casement, noting the current window is a storm casement (installed during an earlier extension to the property). In keeping with the desired period style, the glazing bars on the rear window will be narrower on the proposed replacement. Both windows will have ironmongery in polished brass.
