Details of the pre-application advice received

This proposal is supported as it would be less domestic in appearance and therefore more sympathetic to the host dwelling and the setting of this listed building.

The above advice is subject to a formal listed building consent and details of materials especially those of the proposed windows/doors and rooflight.

It is recommended that a Heritage Statement is submitted with the application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☒ No
