NORTH HERTFORDSHIRE DISTRICT COUNCIL

Town and Country Planning Act 1990

DECISION NOTICE

Correspondence Address:

GC Planning Partnership LTD
BEDFORD I LAB
Priory Business Park
Stannard Way
Bedford
MK44 3RZ
United Kingdom

Applicant:

Mr & Mrs Harrison

PARTICULARS OF DEVELOPMENT

Application:	24/02317/FP
Proposal:	Siting of solar panel array 30x 500w panels (six rows)
Location:	Glebe House , Church Lane, Reed, Hertfordshire, SG8 8AL
Plan Nos:	690-SP1 690-SP2A 690-SP3A

PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **GRANT PERMISSION** for the development proposed by you in your application received with sufficient particulars on 11 October 2024, subject to the following condition(s):

Biodiversity Net Gain

1. The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition "(the biodiversity gain condition)" that development may not begin unless:
 - (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
 - (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be North Hertfordshire District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply

(<https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments>).

Based on the information available this permission is considered to be one which will require the approval of a biodiversity gain plan before development is begun because none of the statutory exemptions or transitional arrangements are considered to apply.

Planning Conditions

2. Before the 23rd January 2050, a programme of works to clear that land of all the arrays of panels and associated infrastructure is to be submitted to, and approved in writing by, the Local Planning Authority and the agreed works are to be implemented on site and any evidence of the arrays is removed by the 23rd January 2050.

This programme is to detail the disposal, and where appropriate, the recycling, of all the panels and any other materials to be removed from the site, and the materials must be disposed of in accordance with the approved disposal and recycling plan.

Reason: This is a temporary permission only and it is not acceptable to leave the panels on the site in perpetuity or for the materials to be sent for landfill.

3. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

4. The approved details of landscaping shall be carried out before the end of the first planting season following either the first use of the solar array for generating electricity or the completion of the development, whichever is the sooner; and any trees or plants which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced during the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to vary or dispense with this requirement.

Reason: To safeguard and enhance the appearance of the completed development and the visual amenity of the locality, and to comply with Policy NE2 of the North Hertfordshire Local Plan 2011 to 2031.

5. If any artefacts of archaeological interest are found during the site clearance and digging out stages, all works must stop on site and advice be sought from the HCC Archaeology team.

Reason - in the interests of archaeology protection and to comply with Local Plan policy HE4.

Proactive Statement:

1. This permission for the proposed 30x free-standing solar panels is for a temporary period of 25 years, and expires on the 23 January 2050.

Reason: This is a temporary permission only.

Proactive Statement:

2. Planning permission has been granted for this proposal. The Council acted proactively through positive engagement with the applicant during the determination process which led to improvements to the scheme. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Signed:

Shaun Greaves
Development and Conservation Manager

NOTES

- 1 **Failure to satisfy conditions may invalidate this permission and/or result in enforcement action. Particular attention should be paid to the requirements of any condition in bold.**
- 2 Applicants will need to pay a compliance fee where they request confirmation in

writing of any planning consent, agreement or approval (commonly known as discharge of conditions) required by one or more conditions or limitations attached to a grant of planning permission.

- 3 The fee is £145 per request or £43 where the permission relates to an extension or alteration to a dwellinghouse or other development in the curtilage of the dwellinghouse.

The request can be informal through the submission of a letter or plans, or formal through the completion of an application form and the submission of plans. Any number of conditions may be included on a single request. The form is available via the Council's website:

www.north-herts.gov.uk/home/planning/planning-applications/submit-planning-application

- 4 If the development hereby permitted is one that will require a new postal address/es then please contact the Council's **street naming and numbering service** on 01462 474431 or email SNN@north-herts.gov.uk who will advise you on how to apply for the new address/es.

Any proposed sales and/or marketing name to be adopted by the developer should be forwarded to the **street naming and numbering service**, prior to any publication of the site details and sales information.

- 5 If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

However, if an enforcement notice has been served for the same or very similar development the time limit is 28 days from the date of the LPA decision or 28 days from the date the enforcement notice was served.

Appeals can be made online at: <https://www.gov.uk/appeal-planning-decision>

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

- 7 The District Council and County Highway Authority wish to ensure that, in the implementation of the development, hereby approved, the highway verge adjacent to the property is not damaged or does not become unsightly due to the stationing of skips, parking of vehicles, storing of building materials etc thereon. Your attention is, therefore, drawn to the provisions of Section 131 of the Highways Act 1980 and to the Hertfordshire County Council Bylaws 1955 (specifically relating to grass margins and verges in Letchworth Garden City) by virtue of which such actions, unless authorised by the prior grant of a licence, constitute a prosecutable offence. Persons responsible for undertaking the development and any associated works are, therefore, strongly encouraged to take appropriate steps to ensure that no breach of the said legislation occurs during the course of such activities. In the event of any damage being caused it will be expected that suitable reinstatement is undertaken upon completion of the development. Failure to do so could also result in legal action being pursued. To obtain information regarding the issue of licences, contact Hertfordshire Highways, Hertfordshire County Council, County Hall, Pegs Lane, Hertford, SG138DQ or telephone 0300 1234 047.

- 8 **Cadent Gas Informative:**

Cadent Gas own and operate the gas infrastructure within the area of your development. Contact our Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com Alternatively you can register on www.beforeyoudig.cadentgas.com This service is free of charge.

THIS PLANNING PERMISSION DOES NOT CONSTITUTE APPROVAL UNDER BUILDING REGULATIONS AND IS NOT A LISTED BUILDING CONSENT OR CONSERVATION AREA CONSENT. IT DOES NOT CONVEY ANY APPROVAL OR CONSENT WHICH MAY BE REQUIRED UNDER ANY ENACTMENT, BY-LAW, ORDER OR REGULATION OTHER THAN SECTION 57 OF THE TOWN AND COUNTRY PLANNING ACT 1990.
