|-----|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1   | All dimensions to be verified on site by GENERAL CONTRACTOR prior to any work, setting out or shop drawings being prepared.                                                                                                         |
| 2   | Drawings not to be scaled. Work to figured dimensions only.                                                                                                                                                                         |

| 4   | This drawing and related specifications are for use only in the stated location.                                                                                                                                                    |
| 5   | This drawing is to be read in conjunction with all other Consultants drawings and specifications.                                                                                                                                   |
| 6   | Drainage has not been surveyed and any/all pipe locations and below ground drainage runs are indicative.                                                                                                                            |
| 7   | It is assumed that all works will be carried out by a competent contractor who will be working, where appropriate, to an approved method statement.                                                                                 |
