

DELEGATED FILE NOTE

CASE OFFICER: ...William Thompson.....

APPLICATION REFERENCE	BRIEF DESCRIPTION OF DEVELOPMENT	APPLICATION SITE
25/02580/FPH	Single storey front extension and first floor front extension over the existing porch.	18 Sherwood Letchworth Garden City Hertfordshire SG6 4SQ

Submitted Plan Nos

AT1295-01 AT1295-02 AT1295-03

1.0 Policies

D1 Sustainable design

D2 House exts, replcmnt dwellings outbuild

D3 Protecting living conditions

T2 Parking

SECN12 Achieving well-designed places

SECN14 Meeting climate change,coastal,flooding

2.0 **Site History**

2.1 01/00731/1HH - Single storey rear extension and front entrance porch.

Conditional Permission

3.0 **Representations**

3.1 **Neighbour consultations** – No Objections.

One objection initially received by no.16 Sherwood regarding a boundary dispute.
Amended plans received so the proposal no longer overhangs the boundary.

3.2 **Letchworth Garden City Heritage Foundation** – None received.

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

- 4.1.1 The application site accommodates a two-storey, terraced dwelling situated on Sherwood, Letchworth Garden City.

4.2 **Proposal**

- 4.2.1 Single storey front extension and first floor front extension over the existing porch.

4.3 **Key Issues**

- 4.3.1 The key issues for consideration are as follows:

- The acceptability of the design of the proposed development and its impact on the character and appearance of the area.
- The impact of the proposed development on the living conditions of neighbouring properties.
- Access and parking matters.
- The impact of the proposed development on the environment.

Design

- 4.3.2 Policy D1 of the Local Plan requires that development proposals respond positively to the site's local context, retain existing vegetation and minimise the visual impact of street furniture and parking provision. Policy D2 of the Local Plan requires extensions to houses to incorporate design that is sympathetic to the main dwelling in terms of its scale, form and orientation and does not harm the character and appearance of the locality around the site. These policies are broadly consistent with Section 12 of the National Planning Policy Framework.
- 4.3.3 The proposed single storey front extension would match the width of the existing dwelling, have a depth of 1.55m and would have a pitched roof with an eaves height of 2.4m and a peak height of 3.45m. The proposed first floor extension would have a depth of 1.55m to match the existing front porch, a width of 2.7m and would have a dual pitched gable end roof with an eaves height of 4.95m and a ridge height of 6.1m. The proposal includes a canopy over the front entrance door. The proposed external

materials are facing brickwork for the walls, brown profiled concrete roof tiles and white uPVC windows, all to match existing and oak posts for the canopy. A very similar design to the proposal exists to no.14 Sherwood.

- 4.3.4 In my view, the proposal is considered to be acceptable in terms of the material palette, massing, siting and roof design. Given the existing front extensions in the immediate locality, the proposal would not go against the grain of development. As such, the proposal would not cause harm to the character and appearance of the dwelling or streetscene. Therefore, the proposed development complies with Policy D1 and D2 of the NHLP and Section 12 of the NPPF.

Impact on Neighbours

- 4.3.5 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy D3 of the NHLP.
- 4.3.6 Regarding neighbour amenity, the proposal would have a minor impact limited to neighbouring driveways/front gardens. As such, it is not considered that the proposal would result in unacceptable harm upon neighbour living conditions, as to be objectionable, in terms of overdominance, shading or overlooking.
- 4.3.7 This development is therefore considered to be in accordance with Policy D3 of the NHLP and Section 12 of the NPPF.

Highways and Parking:

- 4.3.8 The proposal does not include an increase in the number of bedrooms. Therefore, with regard to Policy T2 of the NHLP, there would be no car parking issues arising from the development.

Environmental Implications

- 4.3.9 The proposed development would be consistent with the criteria set out in Policy D1 of the NHLP '*Sustainable Design*'. There are no other significant environmental implications as a result of the proposed development.

Biodiversity Net Gain:

- 4.3.10 This is a form of development which is exempt from BNG Legislation, defined under article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 due it falling under the scope of the ‘de minimis’ exemption.

4.4 **Conclusion**

- 4.4.1 In the absence of material planning reasons to the contrary it is my view that planning permission is **GRANTED**.

4.5 **Alternative Options**

- 4.5.1 None.

4.6 **Pre-Commencement Conditions**

- 4.6.1 None.

5.0 **Recommendation**

- 5.1 That planning permission be **GRANTED** subject to the following conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

Reason: To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

3. The extension(s) hereby permitted shall be built in external materials to match the existing dwellinghouse unless otherwise agreed in writing by the LPA.

Reason: To protect the visual amenities of the locality and to comply with Policies D1 and D2 of the North Hertfordshire Local Plan 2011 to 2031.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
