1.3 **North Hertfordshire Draft Local Plan 2011-2031**

The Local Plan has now been submitted to the Secretary of State, following completion of the final public consultation exercises and having been agreed and approved by Full Council in April 2017. The policies of the Draft Local Plan therefore carry limited weight at this stage, however the policies are to be afforded increased weight and consideration at each stage of the process up until full adoption. The policies of relevance in this instance are as follows:

D1 – Sustainable Design
D2 – House Extensions and Replacement Dwellings
D3 – Protecting Living Conditions
T2 – Parking

4.0 **Planning Considerations**

4.1 **Site and Surroundings**

4.1.1 No. 27 is a two storey mid-terraced property situated on the north side of Heathfield Road within a predominately residential area of Hitchin.

4.2 **Proposal**

4.2.1 Planning permission is sought for the erection of a single storey rear extension measuring approximately 4.1m in depth, 4.7m wide and 3.2m in height.

4.3 **Key Issues**

Design and Appearance:

4.3.2 The objectives of the NPPF include those seeking to secure high quality design and a good standard of amenity (Section 7 - Requiring good design). In this regard, Policy 28 and 57 of the Local Plan is consistent with the NPPF.

4.3.3 The proposed development would be sited to the rear of the application dwelling and out of view of the surrounding street scene. Furthermore, the extension would be of an appropriate scale to that of the host dwelling given its limited depth, width and single storey height.

4.3.4 Given the above, it is considered that the proposed development would not result in an unacceptable impact upon the character and appearance of the host property and would therefore be compliant with Policy 28 and 57 of the District Local Plan and the core principles set out within the National Planning Policy Framework.

Impact on Neighbouring Properties:

4.3.5 A core planning principle set out in the NPPF is to always seek to secure a good standard of amenity for all existing and future occupants of land and buildings. This principle is reflected in the provisions of Policy 28 of the Local Plan.

4.3.6 The application site is neighboured by No. 25 and 29 Heathfield Road and both neighbours benefit from an existing single storey rearward projection. The development would be centrally sited within the rear elevation of the host dwelling and set off from the party boundaries. Given the limited 4m depth and single storey height, the development would result in no unacceptable impact upon neighbouring light, privacy or amenity. Furthermore, the proposed development would result in no unacceptable overbearing impact upon neighbouring occupiers and is therefore compliant with Policy 28 of the District Local Plan and the aims of the National Planning Policy Framework.

Highways and Parking:

4.3.7 The proposed development does not include an increase in the number of bedrooms, therefore there would be no car parking issues arising from the proposed development.

4.4 **Conclusion**

4.4.1 The proposed development is considered acceptable and are considered to comply with the necessary provisions of both the existing and emerging Local Plan policies and the National Planning Policy Framework. Grant conditional permission.

5.0 **Recommendation**

5.1 That planning permission be **GRANTED** subject to the following conditions:

1. The development hereby permitted shall be completed before the expiration of 3 years from the date of this decision notice.

   Reason: As required by the Town and Country Planning (General Permitted Development) Order 2015, Schedule 2, Part 3, Class Q.2.-(3)

2. The development hereby permitted shall be carried out wholly in accordance with the details specified in the application and supporting approved documents and plans listed above.

   Reason:To ensure the development is carried out in accordance with details which form the basis of this grant of permission.

Proactive Statement:

Planning permission has been granted for this proposal. Discussion with the applicant to seek an acceptable solution was not necessary in this instance. The Council has therefore acted proactively in line with the requirements of the Framework (paragraphs 186 and 187) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015.
