Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Enlarging the existing kitchen window from a three casement window to a five casement window, rather than inserting a new two casement window to the right of the existing kitchen window.

Please state why you wish to make this amendment

The currently approved two casement window straddles the expansion joint in the brickwork. This has complications associated with forming the new opening. Enlarging the existing opening up to the expansion joint is more straight forward to construct.

It is an important principle of decision-making that the process is open and transparent.
