Dear Sir / Madam,

**Electronic Communications : Installation of 3no antenna at 25m to existing mast together with ancillary equipment
Telecommunications Mast 90324, Meadow Way, Offley, Hertfordshire,**

I refer to your letter received on 24th October 2024 giving formal notification in advance of the above work, in accordance with Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003, as required by the Communications Act 2003.

Insufficient information was provided, therefore the Local Planning Authority is unable to advise whether it considers the work would benefit from being permitted development as defined by the Town and Country Planning (General Permitted Development) Order 2015 Schedule 2, Part 16, Class A and therefore object on this basis.

Yours faithfully

Shaun Greaves
Development and Conservation Manager
