Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Condition requires two first floor side facing windows to be obscure glazed and fixed below 1.7m above floor level to safeguard privacy of occupiers of adjacent site. The neighbouring property (number 16) is at an angle to the application site and the windows will only overlook the rear part of the garden, furthermore the owners of number 16 have stated that they are happy with these windows being clear glazed - see attached letter of support. Other properties are over 25m away from the windows so would not be adversely affected by the windows.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Condition to be removed.
