District ref: 24/02546/FPH
HCC ref: NH/23044/2024
HCC received: 20 November 2024
Area manager: Manjinder Sehmi
Case officer: Paul Marshall

Location

40 Holwell Road, Holwell, Hitchin, Hertfordshire, SG5 3SG

Application type

Full Application

Proposal

Full Permission Householder : Creation of vehicular access off Holwell Road

Recommendation

Notice is given under article 22 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 that Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission subject to the following conditions:

CON1) Prior to the first occupation of the development hereby permitted the vehicular access shall be completed and thereafter retained as shown on drawing (24015-02) in accordance with details/specifications to be submitted to and approved in writing by the Local Planning Authority in consultation with the highway authority. Prior to use appropriate arrangements shall be made for surface water to be intercepted and disposed of separately so that it does not discharge from or onto the highway carriageway.

Reason: To ensure satisfactory access into the site and avoid carriage of extraneous material or surface water from or onto the highway in accordance with Policy 5 of Hertfordshire's Local Transport Plan (adopted 2018).

HCC as Highway Authority recommends inclusion of the following Advisory Note (AN) to ensure that any works within the highway are carried out in accordance with the provisions of the Highway Act 1980.

AN1) Storage of materials: The applicant is advised that the storage of materials associated with the construction of this development should be provided within the site on land which is not public highway, and the use of such areas must not interfere with the public highway. If this is not possible, authorisation should be sought from the Highway Authority before construction works commence. Further information is available via the County Council website at: <https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

AN2) Obstruction of highway: It is an offence under section 137 of the Highways Act 1980 for any person, without lawful authority or excuse, in any way to wilfully obstruct the free passage along a highway or public right of way. If this development is likely to result in the public highway or public right of way network becoming routinely blocked (fully or partly) the applicant must contact the Highway Authority to obtain their permission and requirements before construction works commence. Further information is available via the County Council website at: <https://www.hertfordshire.gov.uk/services/highways-roads-and-pavements/business-and-developer-information/business-licences/business-licences.aspx> or by telephoning 0300 1234047.

COMMENTS

The proposals are for Full Permission Householder: Creation of vehicular access off Holwell Road. Holwell Road is maintainable by the highway authority and is classified and provides a local access function in the road hierarchy. The vehicle speeds past this site are limited to 30 mph. There have been no recorded accidents near the site in a rolling 5-year period.

Policy Review:

The key documents used to assess the application are:

- Manual for Streets 2007
- National Planning Policy Framework (July 2021)
- Hertfordshire County Council's (HCC) Local Transport Plan-4 [2018-2031, May2018]
- HCC's Place & Movement Planning Design Guidance (adopted in March 2024)

PLANNING HISTORY

The application site has no previous planning history.

DRAWINGS

The Highway Authority note the submission of materials in support of the planning application, including drawing numbers: Drawings 24015-00, 01, 02, and Location Plan.

PARKING

Drawing 24015-02 illustrates the parking area as approx. 9.5 meters by 7.3 meters. This would allow a vehicle to enter and exit in a forward gear.

ACCESS?

Drawing 24015-02 demonstrates a proposed dropped kerb. The Highway Authority are satisfied this meets the criteria of HCC's Residential Dropped Kerb Policy which states: dropped kerbs will be no wider than four flat kerbs with the addition of two risers if required.

VISIBILITY

Although the applicant has not provided visibility splays, I am satisfied vehicle-to-vehicle inter-visibility and pedestrian visibility have an acceptable level visibility and accords with the principles found in Hertfordshire's Place & Movement Planning Design Guide Part 4 Chapter 6 section 18.1, page 70.

EMERGENCY ACCESS

The nature of the site puts the proposals / access within 45 meters from the public highway (As required in accordance with MfS 6.7.2)

REFUSE / RECYCLING

The proposals for recycling bin storage must be in line with Manual for Streets MfS 6.8.9 residents should not be required to carry waste more than 30m and be within 25m of the kerbside/bin collection point.

CONCLUSION

Should the LPA be minded to approve the application please note the above condition and informatives. This level of development is unlikely to lead to demonstrable harm to the highway network; therefore, the highway authority would not wish to restrict the grant of planning permission.

Signed

Paul Marshall
